

## End of Semester Assignment

For an End of Semester Assignment, please write a short summary (1 to 2 pages) describing your experiences during this lab. Include both software and hardware that you used, describe programs you wrote, which hardware was used and controlled, and any other related topics you have experience with. Feel free to include pictures or diagrams in your summary if it makes things easier, but it is not a requirement.

You can email your completed document to me at [Jagodowski@stcc.edu](mailto:Jagodowski@stcc.edu) . Please only email documents in one of the following formats: MSWord (*.doc or .docx*), OpenOffice/LibreOffice (*.odt*) or Personal Document Format (*.pdf*).

This assignment is due on or before midnight on Thursday, 12/22/22.
